MySchoolBucks Parent User Guide

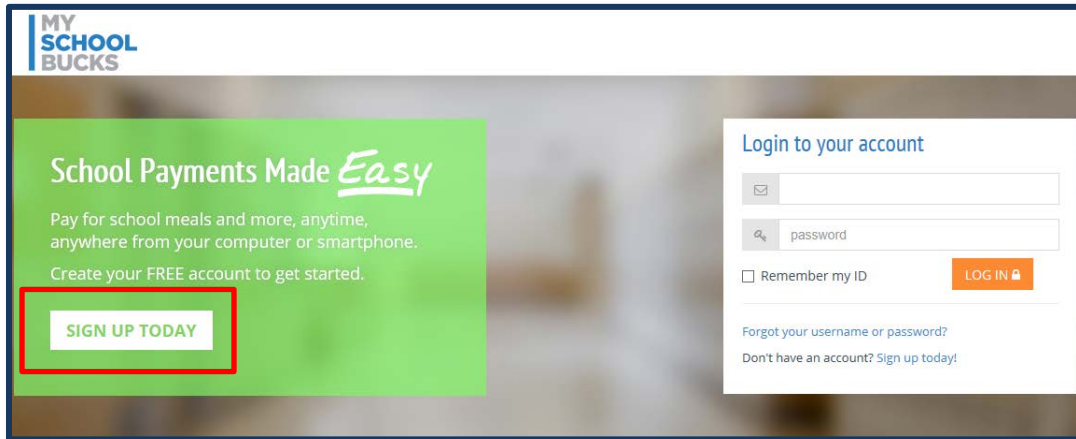

MySchoolBucks is an award-winning service offered by Heartland Payment Systems, Inc. Heartland Payment Systems is known for fair, fully disclosed pricing and empowering our customers to take control of their payment processing costs.

Since being introduced a number of years ago, MySchoolBucks has become the product of choice for thousands of schools throughout the United States. Whether paying for chemistry lab fees, purchasing books, buying athletic tickets, or simply paying for school lunch, MySchoolBucks gives parents the peace of mind when it comes to their children's school purchases.

With MySchoolBucks, parents are able to register for an account and view information for free. Parents are also able to view account balances or recent purchases in the school cafeteria, add money to their student's account, and set up low balance alerts through this award-winning, parent friendly system.

Creating a Parent Account in MySchoolBucks

All new parent users must click **SIGN UP TODAY** and follow the on-screen instructions to establish their account.

The registration process will require you to select the state, followed by the district, in which your students attend, your first and last name, email address, and password. Your email address will be your username when logging in.

You are also required to select two security questions and fill out the answers. Once all information is entered, click **CREATE ACCOUNT**. A welcome email will be sent to the email address confirming that your profile was created.

Security Question #1
? In what city did you attend high school? [v]
? Answer #1
MUST be at least 4 characters long

Security Question #2
? What are the last 4 digits of your social security number? [v]
? Answer #2
MUST be at least 4 characters long

Adding a Student

Adding a Student on a New Account

After creating your account, you will then have an opportunity to add a student. You can choose to skip this step until a later time.

The student's district will automatically be populated. If a new District needs to be added, click the down arrow at the top of the screen to add the new district.

To add a student, enter the student's school along with their first and last name, date of birth, or student number and click **FIND STUDENT**.

Note: The information required to locate the student is dependent upon the individual district's settings. Some districts may require both the birthdate AND the student ID, while others may only require the birthdate OR the student ID.

The Meal Accounts page is the landing page for parents every time they log in to their accounts. Here, you can view student balances, active scheduled payments, and recent payments.

All students that have been added to your account will be displayed here. Some students will have an icon next to their name. A rounded arrow icon indicates that the student is set up on an automatic payment plan. A trophy icon indicates the student is part of a membership program.

Also displayed is the district announcement. District administrators can enter custom announcements or notes for parents in their district to view after logging in to their accounts.

Cafeteria Meal History

The Cafeteria Meal History page displays a list of purchases and account activity for students. Some districts utilize software that is compatible with the running balances feature in MySchoolBucks. However, many district cafeteria purchases will only display activity such as purchases and deposits.

In addition to cafeteria purchases, this page also has tabs that display recent payments and scheduled payments. Click the **Recent Payments** tab to view payments made recently to your students' accounts. Click **Scheduled Payments** to view payments that are pending.

Prepayments should display in cafeteria purchases and increase the student's balance within 2 business days after the date of the prepayment.

Make a Payment

To process a prepayment, select the “Make a Payment” option in the Meal Accounts drop-down menu. This will navigate you to the Place Order page.

You will be able to select a store such as Cafeteria Meal Payments or School Supplies. This will depend on the stores that have been set up for the school district that the student attends. If there are only cafeteria payments available, you will automatically be directed to the cafeteria payment options.

To make a payment, you will need to first select an amount to pay within the individual school districts' maximum payment limits. This is typically a range of \$1 to \$120. However, this limit may vary depending on the district's agreement with MySchoolBucks.

Note: On this screen, amounts in red have fallen below their “low balance” amount. Once the balance is funded, the box will turn gray.

The screenshot shows the 'Place Order' page. The table below lists four students: Erin Adams, Jaden Adams, Michelle Adams, and Rose Adams. Each student has a balance shown in a red box, indicating it is below the low balance amount. The 'SELECT AMOUNT' column has buttons for \$0, \$25, \$35, \$45, and OTHER. The 'TOTAL' column shows a total of \$0.00 for each student.

STUDENT	BALANCE	SELECT AMOUNT	TOTAL
Erin Adams	\$2.00	\$0 \$25 \$35 \$45 OTHER	\$0.00
Jaden Adams	\$9.00	\$0 \$25 \$35 \$45 OTHER	\$0.00
Michelle Adams	\$0.00	\$0 \$25 \$35 \$45 OTHER	\$0.00
Rose Adams	\$0.00	\$0 \$25 \$35 \$45 OTHER	\$0.00

Next, select a payment method, either **eCheck** or **Credit Card**. When writing an eCheck, select the checking account from the drop-down menu. When using a credit card, select a credit card from the drop-down menu. If the preferred payment method does not appear in the menu, click **Enter a new checking account** to enter a new eCheck account or **Enter a new credit card** to enter a new credit card.

When making a payment to a lunch account, you have the option to make the current payment an automatic one. The selection is defaulted to **No**. This means that the current payment is made one time at the time of purchase. If you click **Yes**, you can set the current payment to recur either when the account falls below a certain balance or at set timed intervals, such as every week after the payment. Payments can be made to stop on a certain date or continue going unless you manually cancel the payment.

MyLunchMoney Migration

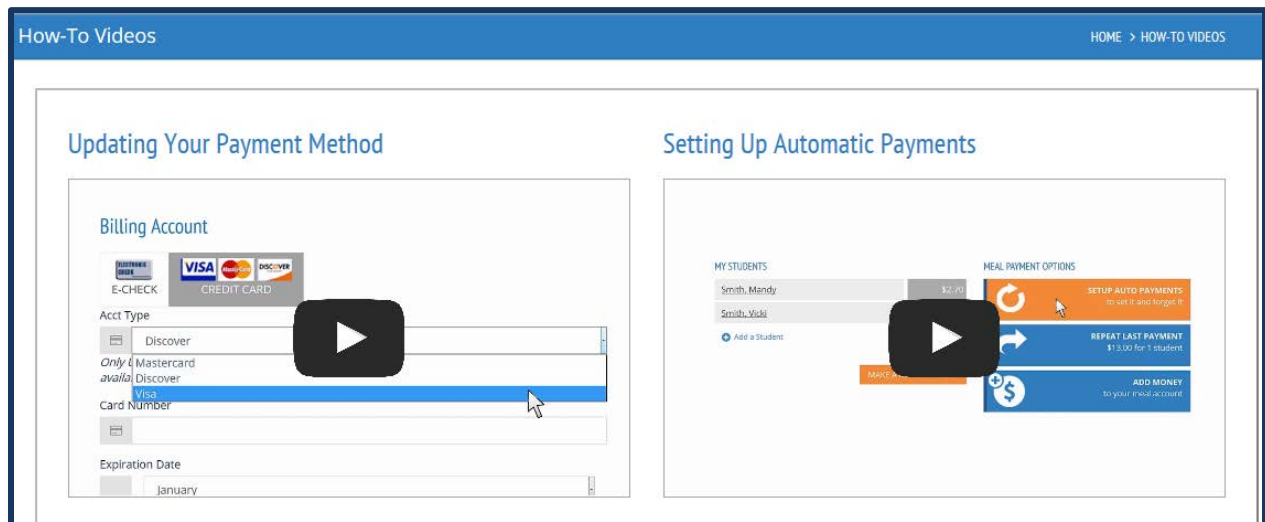

Parent users migrating from MyLunchMoney to MySchoolBucks will notice options in addition to those associated with other MySchoolBucks users. These features are meant to help provide a smooth transition from MyLunchMoney to MySchoolBucks.

How-To Videos

When a new user migrating from MyLunchMoney logs in to MySchoolBucks, a pop-up will appear under the Help menu. Click the link in the pop-up, **How-to Videos**, to watch videos that detail how to navigate and use MySchoolBucks.

On the How-To Videos page, you will see a few videos that detail common tasks for users in MySchoolBucks.

When finished viewing the videos, click **Let's Get Started** to return to the MySchoolBucks homepage and begin using MySchoolBucks.

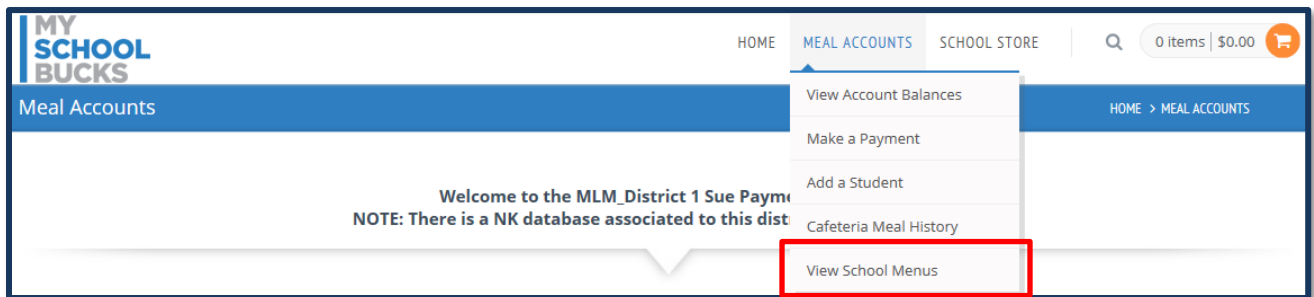

If you ever need to access the how-to videos again, they are available under Help.

View School Menus

Parents migrating from MyLunchMoney may have districts that still post school menu information to the MyLunchMoney site. Rather than have to navigate to two separate sites, MyLunchMoney users can find their school menus through a link on MySchoolBucks. To access MyLunchMoney school menus, click **View School Menus**.

Upon clicking View School Menus, the MyLunchMoney user should see their school's menu on the MyLunchMoney site.

Meal Controls

For parent users migrating from MyLunchMoney, MySchoolBucks has a feature that is similar to the meal control settings available on MyLunchMoney. When adding a new student or when editing a student from the My User Profile page, the Meal Controls feature is available for you to set spending limits for the student being added or edited.

Important: Meal Controls settings are on a *per student* basis, so you need to set controls for each individual student.

Under Daily Spending Limit Amount, enter the amount of money you want to allow your student to spend each day. Under Weekly Spending Limit Amount, enter the total amount of money you want to allow your student to spend each week. Make sure that the amounts in these fields are within the range shown under Daily Range and Weekly Range.

The Meal Options let you determine if your student is allowed to use cash from their account on a la carte items. If you select **Cash Account for meals/a la carte**, your student will be allowed to spend account money on a la carte items in addition to meals. If you select **Cash Account for meals only**, your student will only be allowed to spend account money on meals.
